Yá'át'ééh (Greetings)!!

We are excited to host the 6<sup>th</sup> Gathering for Healthy Relations Conference (#G4HR2019) at the Wild Horse Pass Hotel in Chandler, Arizona on August 6-8, 2019. The primary goal of the #G4HR2019 is to bring together service providers to network, share information and resources, and to create opportunity to increase skills and knowledge around safety, healing and justice for survivors of intimate partner and sexual violence.

We anticipate that 175-250 participants and presenters will attend the 2019 Conference. Past participants include survivors, advocates, law enforcement, tribal health organization staff, tribal elders, leaders and youth. The majority of attendees are from Arizona, however, the number of attendees from surrounding states has increased due to increased awareness of the conference and the culturally appropriate and quality workshops offered.

It is with excitement that the Southwest Indigenous Women's Coalition (SWIWC) cordially invites you to support this amazing event. Sponsoring #G4HR2019 builds visibility for your brand or organization, connects you with a diverse Native American audience, and gives you a forum to share your organization's mission and expertise. Most remarkably, your sponsorship allows SWIWC to create an impactful agenda and funds scholarships to people needing assistance to attend the conference who otherwise could not, including survivors of intimate partner and sexual violence.

Enclosed you will find an overview of the Sponsorship Levels and their corresponding benefits. Please return the completed Sponsorship Confirmation Form no later than **June 30, 2019** so that your organization may be recognized in marketing and registration materials. Sponsorships received after this date may receive reduced benefits due to printing and marketing deadlines.

The #G4HR2019 would not be possible without your generous contribution. Your sponsorship allows a high-quality experience to conference participants at the lowest cost possible.

Thank you for your support. If you require additional information, please contact us.
