My Relatives,

SWIWC is excited to host its 9th Gathering for Healthy Relations Conference (#G4HR2026) in Phoenix, Arizona on October 27-29, 2026! Our goal is to provide space for networking, sharing information and resources, and creating the opportunity to increase skills and knowledge on safety, healing, and justice for survivors of domestic and sexual violence including our missing and murdered relatives.

This year's conference marks SWIWC's 20 year anniversary! A significant achievement for our small but mighty team.

The years have passed in the blink of an eye. It seems like yesterday when we held our first meeting, which gathered tribal advocates for the first time, all who were committed in making their communities safe. Many of them self-identified as domestic and sexual violence survivors.

Their unyielding passion, commitment, determination, and tenacity will forever be the fuel that propels SWIWC forward in helping to foster safety, healing, and justice in tribal communities. With careful planning, SWIWC creates the agenda with intention to be inclusive, meaningful, and engaging for all participants no matter their level of knowledge, profession, discipline, or experience.

As the organizers of #G4HR2026, SWIWC extends an invitation to you to partner with us to support this impactful event. Your sponsorship not only increases visibility for your organization, connects you with a diverse Native American audience, but provides you an opportunity to share your mission, services, and expertise with attendees from across the state. Most importantly, your support directly funds conference programming and scholarships for participants who may otherwise be unable to attend due to financial limitations, including survivors of intimate partner and sexual violence, trafficking and MMIP. With your investment, we can ensure that critical voices are heard, meaningful connections are made, and culturally rooted solutions are advanced.

This year's conference holds special significance as we celebrate 20 years of advancing safety, healing, and justice for Arizona's Tribal communities. Sponsorship contributions will help support commemorative activities including a plated anniversary dinner, cultural entertainment, and recognition of the matriarchs, leaders, and advocates whose collective dedication strengthened the movement to end violence in Arizona.

Enclosed you will find an overview of the sponsorship levels and corresponding benefits. Please return the completed Sponsorship Confirmation Form no later than August 30, 2026 so that your respective Indian Tribe or organization can be recognized in marketing and registration materials. Please note that sponsorships received after August 30th may receive reduced benefits due to printing and marketing deadlines.

Our #G4HR2026 would not be possible without your generous contribution. Your sponsorship greatly helps us to deliver an exceptional and memorable experience at the lowest cost possible.

For additional information, please contact Daniel Lucero, Chief Financial Officer at dan.lucero@swiwc.org, (562) 708-8489 or Veronica Hunter, Director of Finance at veronica.hunter@swiwc.org, (480) 818-7269.

In kindness and gratitude,

Leanne Guy
Executive Director
